Dear Fort Saskatchewan Christian School Families,

### **Re: Fee increase for 2024-2025 School Year**

After 13 years of sustaining the Christian Programming fees, the board has voted to increase the fees to reflect the rising cost of inflation. We are aware that expenses are high for everyone so with much prayer and consideration, a small increase of roughly 2% will be implemented starting in the 2024-2025 school year.

As per notice this time last year, please remember that next year there will be a 3% charge for all **credit card fees**. This includes lump sum or monthly payments. This will keep the costs down for those who chose payment methods with nominal charges (auto-withdrawal is only \$0.26 per transaction for us currently).

If you would like to change your current method of payment, [please fill out this form](#) before the end of June 2024 to have a seamless transition in the fall. If you would like to continue to pay by credit card, no action is required (unless your card expires soon) and a 3% fee will be added to the fees.

Here is the 2024-2025 Christian Programming fee schedule:

 Grade	Price per student/yr
Kindergarten (ECS)	\$597.00
Grades 1-9	\$1,015.00
Family Maximum amount (more than 3 full-time students)	\$3,045.00

Kind regards,

Kerri Wiens  
CHREDA Business Manager
