WEE
COLLEGE

WEE COLLEGE

Wee College is a Bible based play-learning program geared to four and five year olds.

OUR HISTORY

Wee College began at Central Tabernacle Church, Edmonton, in October 1967. It was developed out of a desire to teach preschoolers the scriptures and Bible doctrine. A course outline was designed to systematically teach this in a "play-learning" program.

Fort Saskatchewan Christian School first offered the Wee College program in 1993 and currently offers both a first year and second year program.

OUR PURPOSE

We believe that Wee College has been directed of God in assisting parents to teach children the scriptures. The program will provide your child with an opportunity to learn God's Word and make new friends through games, songs, memory work and stories

PROGRAM HIGHLIGHTS

Wee College participants learn to recognize the books of the Bible based upon a system of color codes. Most activities follow a color theme that intergrates the verses, stories and activities. Tokens and illustrated verse sheets are placed in the child's "Take Home Binder" where the child will see them often. We also use puppets, flannelgraph and songs to learn the scriptures.

It is inspiring to watch these precious wee ones eagerly listening to God's Word and hiding it in their hearts.

The lessons include the following topics:

- The Authority of Scripture
- The Attributes of God
- God and the Trinity
- Creation
- Man and Sin
- Birth of Jesus
- The Life and Ministry of Jesus
- The Resurrection
- The Ascension
- The Holy Spirit
- His Second Coming
- Healing
- Salvation
- The Great Commission
- The Lords Prayer
- 10 Commandments
- Psalm 23
